

Specialist in Motion Control

INDUSTRIAL HYDRAULICS

ACCUMULATORS INC. - Accumulators
ATOS - Pumps, Valves, Proportional Controls
DYNAMIC FLUID COMPONENTS - Gear Pumps, Flow Dividers
DYNAPOWER - Hydrostatic Transmission
FLO-TORK - Rotary Actuators
FLUID LOGIC - Mill Duty Hydraulic Valves and Systems
HANNA CYLINDERS - Pneumatic, Hydraulic and Electronic Cylinders
HiP - High Pressure Air Driven Hydraulics
HUNT VALVE - Descaling System Product
MOOG - Industrial Servo and Proportional Valves
NACHI - Pumps, Valves
OILGEAR - Pumps, Manifolds, Cylinders and Valves
OLMSTED PRODUCTS - High Flow, High Pressure Hydraulics
PENINSULAR - Hydraulic and Pneumatic Cylinders
ORTMAN CYLINDER - Hydraulic and Pneumatic Cylinders
SUN SYSTEMS INTEGRATOR - Cartridge Valves
VELJAN - Vane Pumps (Dennison Type)

MOBILE HYDRAULICS

BUCHER (COMMAND CONTROLS) - Power Units, Mobile and Cartridge Valves
GALTECH - Gear Pumps
HAVE - Pumps, Valves and Cylinders
HYDRECO - Mobile Pumps, Valves and Joysticks
METARIS - Cast Iron Gear Pumps and Drives
RR-USA - Gearboxes, Motors and Slew Drives
DANFOSS POWER SOLUTIONS - Hydraulic Motors

PNEUMATICS

AMERICAN CYLINDER - Miniature Cylinders
CAMOZZI - Cylinders, Valves and Automation Components
CONTROL AIR - Precision Regulators
FABCO - Aluminum Specialty Cylinders and Valves
HUMPHERY - Proportional Control Valves
KOGANEI - Valves and Cylinders
MASTER PNEUMATICS - Filter Regulators and Lubricators
PARKER WATTS - Filters, Regulators and Lubricators
PISCO - Tubing and Miniature Valving
SPARTAN - Miniature Valves
TONSON - Radial Piston Air Motors
VERSA - High Flow, Compact and Stainless Valve Solutions

AUTOMATION PRODUCTS

DANFOSS - Variable Frequency Drive
DE-STA-CO CHANNEL PARTNER - Camco Indexers, Robohand, Workholding Red Handle Clamps, End Effectors
ACE - Industrial Shock Absorbers
FABCO - Linear Slides
ORIGIA (Parker) - Rodless Cylinders and Slides
ROBOHAND - Grippers, Slides and End Effectors

LUBRICATION

BIJUR/DELIMON - Automatic Lubrication
FARVAL - Automatic Lubrication
GRACO - Automatic Lubrication
LINCOLN - Automatic Lubrication
LINCOLN ORSCO - Chain Lubrication
MASTER PNEUMATICS - Filters, Regulators, and Lubricators
OIL-RITE - Lube Devices and Sight Gauges
SKF - Automatic Lubrication

ELECTRONICS

BARKSDALE - Pressure Measurement, Manual Valves
CANFIELD CONNECTOR - DIN Connectors
CARLEN - Encoders
DELTA COMPUTER - Motion Controllers
ELECTRIM - Electric Motors
EXLAR - Servodrives
MAGNESCALE - Position Feedback
MOOG - Servodrives
MTS TEMPOSONICS - Linear Feedback Transducers
NOSHOK - Electronic Measurement Solutions
ORVITEK - Mobile Automation

FILTRATION

BETA FLOW - Industrial Filtration
DES-CASE - Moisture Breathers
DMIC - Filters, Ball Valves and Accessories
EATON INTERNORMEN - High Efficiency Filtration
FLOW-EZY - Strainers and Breathers
PTI - Hydraulic Filters
SCHROEDER INDUSTRIES - Industrial Filtration
TURMOIL - Recirculating Chillers
UFI - Pressure and Return Filters
ZINGA - Pressure and Return Filters

PROCESS CONTROLS

KOBOLD - Measurement Devices
MTH PUMPS - Centrifugal Pumps

SUPPORT COMPONENTS

AKG THERMAL - Heat Exchangers
ANCHOR FLUID POWER - Flanges and Ball Valves
BAUER GEARMOTORS - Gearmotors
COUPLAMATIC - Hoses and Fittings
DAMAN - Manifolds and Subplates
DMIC - Ball Valves and Tank Accessories
FAZTEK - Aluminum Extrusions
HYDROCRAFT - Tank Accessories
KURIYAMA - Hose and Fittings
LAKE - Flow Meters
MAGNALOY - Motor Coupling, C-Face and Manifolds
PCI - Pressure Components
SELLING PRECISION - Speciality Manifolds
SYNC-LOK - Compression Tube Fittings
THERMAL TRANSFER - Water and Air Heat Exchangers
TOMPKINS - Fittings

VALUE ADDED SERVICES

- ◆ Calls answered by a real person that will direct your call to a qualified sales person
- ◆ Full time multi person inside sales staff
- ◆ Complete repair services for pumps, valves, motors and cylinders
- ◆ Pick up and delivery for repair services
- ◆ 12,000 sq. ft. manufacturing domain
- ◆ New service center with counter sales
- ◆ PLC's and programming
- ◆ Motion control and programming
- ◆ Design and build consultation and fabrication
- ◆ Field service and turn key installation
- ◆ OEM supply chain management
- ◆ Training / fluid power and electrical
- ◆ Automatic lubrication sales, service, and installation
- ◆ General field service and troubleshooting
- ◆ Electrical panel building
- ◆ 75 hp hydraulic test stand for pumps and valves
- ◆ Complete computerized drawings for all systems (AutoCad)
- ◆ Rolling automation demo show
- ◆ Specialty market expertise
 - Thermal drilling
 - Municipal water plants
 - Safety solutions
 - Power generation
 - Forest products
 - Primary metals
 - Mobile equipment automation
- ◆ Brand interchanges (fit and function)

WE BELIEVE

That if we deal with our customers, vendors, and employees with integrity and proper ethics our company will prosper as will our relationships with our customers.

That the value added services listed above will set us apart from our competition.

Quality products coupled with expertise will produce quality systems.

That we should always be looking for a better way and reward those who find it.

Convenience is an important part of doing business which is why we strive for quick and efficient service.

That total quality actually means attitude. In short if the right attitude is present anything can be accomplished. Attitude differentiates us from our competition.
